Dove Limit
With dove season set to open Tuesday, September 1, the Department of Fish and Game today reminded hunters that in California it is unlawful to possess more than 10 doves at one time, and that they should buy their hunting licenses from their local license agent before leaving for their hunting area.

Hawley Becomes Title Contender At Ascot Oval

The veteran Don Hawley has projected himself smack into the title picture and he has to be ranked with Sammy (The Flying Flea) Tanner and Troy Lee as favorites for J. C. Agajanian's motorcycle racing chase Friday night at Ascot Stadium.

First race on the 12-event menu is set for 8:30, with time trials starting at 7.

HAWLEY, in his best performance of the season, swept the main event and the trophy das hlast week. He's now a close fourth in the standings behind leader Lee and runner-up Tanner.

Sammy, incidentally, will be a busy young man this week. He flies back to the Southland from Springfield, Ill., to compete Friday evening, then jets back to the Midwest for another National Championship chase on Sunday.

TANNER had magneto trouble in his heat race last week and that kept him out of the finale.

Hawley is one of the old-timers of cycle racing. He has long been a topnotcher and, like good wine, seems to grow better with age.

DON IS a rough-tough gent on the track and is the villain of the sport. But off the track he's as sociable as a puppy dog.

Bob Kircher cut into Dick Hammer and Tony Hoover's Class B lead with a sweep Friday night.

DISTRICT CHAMPS . . . Defeating a strong Banning team on a one-hit pitching effort by Andy Carter and reliever Jay Lehman, the Orjets from Normandale Park emerged as district champions. The team, pictured here, is but one of the many teams which Normandale fields annually. The park strives to promote each sport in season and give every boy a chance to play.

Local Entries Dominate First Round in Tourney

Local entries dominated the first round of play in the weekend action of the second annual Southern California slo-pitch tournament at Torrance Park. The locals put five of the eight entries in the semi-finals which are scheduled to begin at 7:30 tomorrow evening.

The five Torrance teams who qualified in the semies are the Fire Department A,

Just For Fun, Optimist, Torrance Kiwanis, and the Tappa Keggas.

credited with the win while Roy Ziegler picked up the loss.

The Fire Department A nine earned their semi-final berth by coasting to a 10-2 defeat over Shop 51 from the Long Beach Naval shipyard. The ten-hit attack by the Fire Department was led by Fred Bickar who went three-for-four, including a homer in the fourth frame. Ed Polston posted the win while the loss was charged F. C. Pfadt.

Saturday night in the first game the Torrance Optimist Club erupted for 13 runs on 12 hits to defeat the Mazzini Club of Los Angeles Harbor district by a score of 13-3. A three-hit effort by shortstop Ed Winklebaum in four trips to the plate led the locals in batting. Loser Vito Graeblo allowed twelve hits while winner Carl Randall scattered five.

In a second game on Friday night the Just For Funners walloped the Shop 56 nine, 20-6, behind the four-for-four hitting of Bill Knight who also scored five runs. Al Hunt was

The only other game on Saturday produced a 9-2 victory for Shop 11-26 of Long Beach over the Walteria Kiwanis. Big man for the Long Beach nine was Fred Washington who went three-for-four and scored two runs. Winner was Ed Reyes and loser was Dick Miller.

Yellowtail Derby Continues With Record Catches

Yellowtail catches at the Coronado Islands now are rolling along at a dizzy pace which threatens to wipe out a record, which, when set, appeared likely to stand for all time.

Daily hauls of yellows, hammering above the 2000 mark, have propelled the season's yellowtail total to a 15,000 lead over the catch in the record year 1957 up to the same point and there is no immediate threat of a slow-down.

In addition to the consistently high hauls, most of the yellows boated this week were on the larger size, ranging in weight from 17 pounds to lunkers capable of cleaning the reels of line.

Among prize winning fish in the \$25,000 Yellowtail Derby this week were: 24-14, Kenneth Cossart, 2651 Haven Park, El Monte; 24-8, E. H. Hull, 952 Edgehill Road, San Bernardino; 24-6, Virgil Morningstar, 106 30th St., San Bernardino; 24-3, Takashi Takahashi, 3910 S. Normandy, Los Angeles; 23-14, Oma Caneer, 312 N. 18th St., Montebello.

Among qualifiers this week was Fred M. Farris, 20521 Toluca Ave., Torrance, with a 23-1 yellow.

Four Games were played on Sunday, the heaviest schedule of the tournament. In the first on the Tappa Keggas posted a 10-1 win over the Huntington Park Knights. The Tappa Keggas started a fifteen hit attack in their half of the second and let up on the hitting only after the final out was recorded in the final frame. Bryan Stephens got credit for the win and the loss was charged to Paul McAtee.

The only forfeit of the tournament was recorded when the Redondo Beach Post nine fielded an eight-man team. The SCMAF rules require a full team on the field at all times.

In a closely played game the Shop 17 nine from LBNS defeated the Torrance Elks, 4-2 as each team committed four miscues. Six hits were all the Seventeeners could manage but they proved good enough to charge Jim Williams with a loss. Robert Thompson picked up the win.

The final game of the first round gave the Torrance Kiwanis a narrow 6-5 win over the El Monte Hi-flyers. The winning run scored on a fly ball to the H-flyer left felder. The win was credited to Jay Barrington's record and the loss went to John Bonescu.

Action will continue through September 6, with the semi-finals getting underway tomorrow evening at Torrance Park at 7:30 p.m.

The tournament is conducted under the Southern California Municipal Federation rules and is a single elimination tournament.
